

HOW EASY ARE YOU?

12 QUESTIONS. HONEST ANSWERS. YOUR SCORE.

Score 1 point for every YES.

1. Do you use the same password on more than three accounts?
2. Is your email password one you've used anywhere else, ever?
3. Is two-factor authentication OFF on your email?
4. Is two-factor OFF on your bank?
5. Do you have software updates waiting right now that you've postponed more than a week?
6. Would you tap a link in a text about a package you're expecting?
7. Is your credit unfrozen at this moment?
8. Could a stranger learn your pet's name, hometown, and birthday from your public social media?
9. If your "kid" texted from a new number asking for money, is there any chance someone in your family would send it?
10. Do you know fewer than 3 of the passwords you'd need if your phone died right now?
11. Have you ever replied to a suspicious text, even to say "stop"?
12. Is your phone's lock screen a 4-digit code that's a year or a birthday?

0-2: THE HARD TARGET. You're the house with lights, cameras, and a dog. Keep it up.

3-5: THE LIT DOORWAY. Better than most, but the key's still under the mat. Your gaps are specific and fixable this week.

6-8: THE OPEN WINDOW. You've been lucky, not safe. There's a difference and it runs out.

9-12: THE WELCOME MAT. No judgment. Nobody ever taught you this. Give me 7 days, 10 minutes a day.
